It sets standards in childcare centers and defines the duties of the abuse/neglect unit. The commission has 15 members, each serving a two-year term. The governor appoints seven members.</p>

<p>Child Fatality Prevention Team</p>	<p>The General Assembly finds that it is the public policy of this State to prevent the abuse, neglect, and death of juveniles. The General Assembly further finds that the prevention of the abuse, neglect, and death of juveniles is a community responsibility; that professionals from disparate disciplines have responsibilities for children or juveniles and have expertise that can promote their safety and well-being; and that multidisciplinary reviews of the abuse, neglect, and death of juveniles can lead to a greater understanding of the causes and methods of preventing these deaths. It is, therefore, the intent of the General Assembly, through this Article, to establish a statewide multidisciplinary, multiagency child fatality prevention system consisting of the State Team established in G.S. 7B-1404 and the Local Teams established in G.S. 7B-1406. The purpose of the system is to assess the records of selected cases in which children are being served by child protective services and the records of all deaths of children in North Carolina from birth to age 18 in order to (i) develop a community wide approach to the problem of child abuse and neglect, (ii) understand the causes of childhood deaths, (iii) identify any gaps or deficiencies that may exist in the delivery of services to children and their families by public agencies that are designed to prevent future child abuse, neglect, or death, and (iv) make and implement recommendations for changes to laws, rules, and policies that will support the safe and healthy development of our children and prevent future child abuse, neglect, and death.</p>
<p>Child Fatality Task Force</p>	<p>The task force conducts a statistical study of the incidences and causes of child deaths in the state and establishes a profile of child deaths; develops a system for multidisciplinary review of child deaths; and studies the operation of existing local teams. It also examines laws, rules and policies relating to confidentiality of and access to information that affects agencies with responsibilities for children, including state and local health, mental health, social services, education and law enforcement agencies, to determine if those regulations inappropriately impede the exchange of information necessary to protect children from preventable deaths. The task force has 35 members, each serving a two-year term. The governor appoints four members.</p>
<p>Children With Special Health Care Needs</p>	<p>The commission monitors and evaluates the availability and provision of health services to special needs children in North Carolina and monitors and evaluates services provided under the Health Insurance Program for Children.</p>
